

### **Editor's Note**

This issue is dedicated to Professor Živorad M. Čeković, corresponding member of the Serbian Academy of Sciences and Arts on the occasion of his 70th birthday and in recognition of his extraordinary contributions to science, particularly organic chemistry, development of the Faculty of Chemistry, University of Belgrade, as well as the Serbian Chemical Society. The papers are contributions of Professor Čeković's colleagues and former students. Publication of this issue is financially supported by the Faculty of Chemistry, University of Belgrade and Institute of Chemistry, Technology and Metallurgy – Center for Chemistry. Guest editor of this issue is Professor Radomir N. Saičić.
